Name of the activity	<b>2 days excursion: THE LAKE TRAIN AND NATIONAL PARK</b>
Brief description	This unforgettable trip runs through the Lleida lands to the Pyrenees, an essential experience for nature lovers. You will enjoy the route of <b>the Tren dels Llacs</b> traveling comfortably, air-conditioned and panoramic trains to discover near La Pobla de Segur <b>The Shops-Museum</b> , a museographic project aimed at showing the history of the ancient business world through the setting of spaces and the recovery, exhibition and interpretation of the daily consumer goods throughout a century (1870-1970). <b>A chemist's, a government store, a barber's, a haberdashery, a "corner" shop and a bar of the</b>

	<p><b>time</b> are the spaces that have been converted into memory sites.</p> <p>After a <b>good lunch with local products and wine</b>, you will have the opportunity to visit an important <b>organic farming company</b> where the meat of beef and lamb is the result of a full control over an entire production process, from the birth of the animal to packaging.</p> <p>The excursion continues with private bus to Sort where in a <b>small factory</b> you will taste and discover the secrets of the <b>Pyrenees cheeses</b>.</p> <p>Overnight in a very good 3 star hotel. Half board</p> <p>The next day transfer from Sort to Espot with private bus.</p> <p>The village of Espot offers all the charm of a high mountain village and is the gateway to this famous national park. The excursion begins with an unusual climb in vehicles 4x4 belonging to the park, from the height of 1300 meters to the height of 2400 meters (with spectacular scenery on the way). That will allow you to visit the <b>Sant Maurici Lake</b> and the surrounding landscape in one of the most famous parks in the Pyrenees: Aigüestortes, or winding waters, abounds in water as its name suggests: twisting, winding streams, rushing waterfalls and crystal-clear rivers that run through lakes are the stars of the park. But, <b>Aigüestortes</b> is not only water – It lies high in The Pyrenees and is extraordinarily beautiful, with green forests and majestic cliffs, rocks and peat bogs as well as a wide variety of flora and fauna. It is a Pyrenean high mountain ecosystem with more than 200 lakes and crags. <b>The National Park of Aigüestortes</b> is a paradise for hikers, nature lovers, bird watchers and people who love beauty in the open air.</p> <p><b>Lunch in a local restaurant</b> in Espot and return by private bus to the station and lake train return to Lleida.</p>
